

Origins™

Next-level Loyalty & Rewards

Origins™ Arcade: Loyalty Meets Fun

With Origins™ Arcade, guests step into a world of interactive entertainment featuring games like Spin to Win, Car Racing, Horse Racing, Scratch & Win, Slots and more. Each game keeps Patrons engaged while unlocking rewards, prizes, and compelling reasons to return.

SEAMLESS INTEGRATIONS, LIMITLESS POSSIBILITIES

For Operators, Origins™ connects effortlessly with existing casino management systems, eliminating silos, streamlining promotions, and providing deeper insights into player behavior. For players, the experience is intuitive—instant recognition at kiosks or mobile apps, smooth reward redemption, and personalized offers in real time.

EASY ADMINISTRATION, TOTAL CONTROL

Origins™ provides casino management an intuitive dashboard to create promotions, configure kiosks, monitor performance, and track results in real time. With streamlined tools and automated workflows, management spends less time on manual tasks and more time focusing on player engagement.

ENROLLMENT & CARD REPRINTING, ALL IN ONE

An all-in-one self-service kiosk that streamlines guest enrollment while providing convenient on-demand card reprinting. Designed to improve operational efficiency and enhance the guest experience, it enables quick enrollment, instant card replacement, and seamless access through a single, easy-to-use solution.

AI-POWERED PROMOTIONS, SMARTER ENGAGEMENT

Origins™ introduces AI-driven capabilities personalizing offers and promotions instantly, delivering smarter insights and more engaging campaigns such as Swipe & Win, Earn & Get, and customizable bonus rewards.

Origins™, a milestone for Passport Technology that reflects our dedication to innovation in casino marketing
